The image features two large machetes, known as Tramontinas, positioned vertically against a natural background of green leaves and light-colored sticks. The machete on the left has a black handle, while the one on the right has an orange handle. Both blades are silver and curved. A blue banner with the word 'TRAMONTINA' in white capital letters is centered over the blades. The blades also have 'TRAMONTINA' and 'BRASIL' engraved on them.

LAC225 Welder AC W/ Wheels (Firepower) / Maquina de soldar

Top Features

- Easy to operate - Full range 40-225 amp selector switch quickly sets the welding current
- Smooth arc - Makes it easy to weld
- 225 amp AC output - Is enough for 3/16" (4.8 mm) diameter general purpose mild steel electrodes
- Easy to install - Comes with attached input power cable
- NEMA rated, UL listed and CSA approved

Input Power

- 230/1/60

A collection of DeWalt power tool accessories is displayed on a light-colored wooden surface. The items include several circular saw blades of various sizes and types, such as a 12-inch 80-tooth blade, a 16-inch ripping blade, and a 7-inch blade. There are also grinding wheels, including a large black abrasive wheel and a smaller yellow one. Numerous drill bits of different lengths and designs are scattered across the bottom half of the image. The DeWalt logo is prominently featured in the center, overlaid on a yellow rectangular background.
